Talent Unlimited is a young charity that provides financial support to music students of exceptional talent but limited means. Talent, past performance and financial background are taken into consideration when assessing those who are selected for help.

Lack of funding leads many talented young individuals to abandon the field of music as it becomes impossible or at least cripplingly difficult to maintain their studies while working in various part-time jobs to survive. One has to either have rich parents or be incredibly lucky and resilient to flourish. Students have to pay exceptionally high fees when attending prestigious music schools and colleges in London and on many occasions by the time they reach post-graduate levels their resources have all but dried up. This is the point at which a charity like Talent Unlimited can be called upon for help.

Talent Unlimited, through its donations, concerts, conferences and other events aims at creating an environment conducive to the development of young musical talent.

Please help us in our work by making donations. You can find gift aid forms on our website. All those who work for Talent Unlimited are volunteers.
